

SSYC Annual Ski Trip

A great time was had by all during the annual SSYC Windham ski weekend March 11-13. The weekend started out Friday night at Christman's Restaurant and Pub where we were greeted by Lee and Talbott, to check in, have some dinner and socialize with old and new friends.

Saturday morning started out with a continental breakfast at the High Meadow Lodge after which we headed off to Windham Mountain. The skies were threatening but the rain held out. The skiing was wonderful, temps were in the 40's and as the day progressed, the firm granular conditions softened and we even had a glimpse of the sun. The group met for a delicious lunch at the Wheelhouse. We talked about our morning adventures, gathered for a group picture and then we were off. Lee and Talbott were our tour guides for the afternoon. A group of us headed over to the West Peak where our tour guides lead the way to less crowded spots. At around 3 pm the children in the group were getting hungry and talking about the Waffle Hut and hot chocolate, this sounded pretty good to the adults as well! After chocolate covered waffles and yummy hot chocolate most of the gang headed in while a few hard core skiers went back out for another few runs.

Après ski started at 5pm at the High Meadow Lodge. Pot luck appetizers and drinks made for a great spread. Stories were shared and many laughs were had. Meanwhile the children had fun getting to know each other and "hang out" in the Rec room.

Then it was off to dinner for our 6:45 reservation at the Christman's Restaurant. The children sat at a large table for 14 and 2 large adult tables were set. Great conversations were had and many laughs came from the children's table. Dinner at the Christman's Restaurant was excellent.

Sunday brought rain and some did venture to the mountain to "take a look" but the rain came down hard and well, one day of skiing is better than none!

All in all a very successful ski weekend and I know a great time was had by all. We are all looking forward to next year and bringing along some new members to make more SSYC memories.

Thanks again to Talbott and Lee for all their planning efforts and enthusiasm!

See you on the water and on the slopes!
